MEMBER SPOTLIGHT:

CONGRATULATIONS to US Sailing's newest Community Sailing Center in the Region: Venice Youth Boating Association! Founded in 1952, VYBA has continuously served the youth in the Venice area – and beyond – teaching sailing for life. “Right Side Up...on the Water and in Life” is the motto of this nearly 50 year old association.

Of the 45 accredited Community Sailing Centers in the U.S., Florida is proud to represent 10% of the centers: Clearwater Community Sailing, Edison Sailing Center, USSC Martin County, Team Paradise (Miami), and Venice Youth Boating Association.

US Sailing's Community Sailing Center Accreditation program “identifies and accredits...community sailing programs that are offering the highest level of boating education and public access across the United States.” Accredited Community Sailing Centers are 501(c)3 corporations not for profit. To learn more about the accreditation process and guidelines, sailing programs are invited to visit the US Sailing website.
